SILVER VALLEY HIGH SCHOOL

Vision Statement:

We will become a community which works together to maximize our graduates' college and career readiness.

Mission Statement:

We will provide the learning experiences and resources to maximize our students' college and career readiness.

Goals:

SVUSD Goal #1: All students will achieve proficiency or better in ELA and Mathematics while receiving appropriate academic support and a well-balanced course of study, including Career Technical Education.

SVUSD Goal #2: Increase the quantity and quality of technology usage to support student learning, instructional effectiveness, monitoring of student progress, and communicating with stakeholders.

SVUSD Goal #3: Increase staff and family's ability to support student academic, social/emotional and physical needs.

SVUSD Goal #4: Build individual leadership skills of teachers, administrators and parents for fostering positive relationships, effective communication, and creating a culture of recognition and excellence.

WASC

1. The newly adopted school wide Learner Outcomes (SLOs) need to be incorporated into all learning environments.
2. The historic pattern of high numbers of D/F grades needs to be decreased, promoting higher a-g completion rates. The existing informal academic Response to Intervention (RTI) system needs to evolve into a structured, tiered RTI model school wide, using classroom and school wide assessment results.
3. The further training of staff and implementation of WICOR strategies focusing on improving our students' writing and listening skills must be expanded to all classrooms, supporting increased rigor throughout the school.
4. Current school culture needs to continue to improve through better communication and collaboration of all stakeholders, and improved training and utilization of school wide PBIS strategies.

Positive Culture

Silver Valley High School has established a positive community of learners and educators where "Integrity is the center of our PRIDE".

We Show Our PRIDE by: *being* Prepared, *being* Respectful, *showing* Integrity, *being* Dependable, *being* Engaged.

When Silver Valley High School students show their PRIDE, they are recognized with PRIDE Bucks and in other ways:

1. **Daily** (PRIDE Bucks) Students earn these by exhibiting PRIDE, given out by staff members, and use them to purchase items at the biweekly PBIS Trojan Café and/or PBIS Trojan Store
2. **Weekly** (Snack Bag Drawings) Students are eligible to win these by having perfect attendance and no Office Discipline Referrals (ODRS)
3. **Quarterly** (5 PRIDE Bucks) Students earn these by 'dressing up' per Spirit Week expectations, and use them to purchase items at the monthly PBIS Trojan Café
4. **Quarterly** (SVHS Gear) Students may use their Golden Tickets to purchase items at the quarterly PBIS Trojan Store.
5. **Quarterly** (PRIDE Prize Drawings and Celebration Schedule) Students who have earned Golden PRIDE Bucks and have No ODRS are eligible. Students earn Golden PRIDE Bucks which are kept in a bank (Google Sheet), one for each of the following: by having 97% or higher attendance, no ODRS, a 3.0 or higher GPA, be on a Team, be in a Club, have a Job, be going to College
6. **Annual** (PBIS Field Trip) Students are eligible if they have: Perfect attendance, no ODRS, 3.0 or higher and no Fs, and participate in an activity, club, athletics, have a job, or be concurrently enrolled in college)

AVID Schoolwide

Silver Valley High School has established two AVID Elective Classes and is actively moving AVID strategies schoolwide. Our staff, parents and students will need to communicate to create a college and career readiness minded culture.

We will be using WICOR to do so.

Writing Inquiry Collaboration Organization Reading

All Silver Valley High School students will be expected to maintain Google Drive and use Google Calendar to keep track of their classwork, homework, due dates, projects, quizzes, tests and their weekly check of current class grades. In addition, using Google Drive and Google Calendar will provide teachers, students and parents a way to quickly collaborate if a student needs additional supports.

All Silver Valley High School students will be expected to develop their Writing, Inquiry, and Reading Skills through the focused note-taking process.

ACADEMICS

Grading Policy:

Credits are earned on a semester basis. Semester grades will be posted on student transcripts as determination of credits earned. Grades will be issued every four to five weeks through progress and quarterly reports. Grades reflect the teachers' assessment of both the quality and quantity of work as compared against California and district standards.

Incompletes ("I") due to illness or valid reason may be issued for up to two weeks following a semester. Work not completed within the two weeks' time will result in grades being posted based upon completed work only.

Homework:

The Silver Valley Unified School District Governing Board believes that homework serves many important purposes. Silver Valley High School administration and staff shall design homework lessons and assignments so that through their homework, students can reinforce academic skills taught in school, learn how to conduct research effectively, develop ideas creatively, and become life-long learners. The SVUSD Board believes that completing homework is the responsibility of the student. It is the student's job to develop regular study habits and to complete most assignments independently. The Board encourages teachers at all grade levels to use the parent/guardian as a contributing resource and to structure homework assignments so as to involve the parent/guardian without diminishing the student's sense of responsibility (*Board Policy 6154*).

Make-Up Work:

For the make-up work policy for excused absences, refer to each teacher's grading policy which is handed out at the beginning of the year.

If a student's absence is excused under Education Code 48205, he/she shall be allowed to complete any missed assignment or test. The student shall be given full credit for the assignment or test if he/she satisfactorily completes the assignment or test within a reasonable period of time (Board Policy 5113).

California school law requires that a student attend school regularly. Parents/guardians should call the school to report an absence, or students can bring a note from home when returning back to school. *Unverified absences become trancies if not verified with the school within 3 days.*

Truancy is declared if a student leaves class/campus for any reason without obtaining prior permission from the office (Ed Code 48260(a)). If a student leaves early, this must be an excused absence in order to attend after school activities.

Absences can be reported by contacting the Attendance Clerk at (760) 254-1315 or Excuse Absence Online at; [Attendance Verification \(Click Here\)](#). An automated phone calling system will notify families when a child is absent from class.

Discipline, which could include detention, SARB review, citation and/or removal from school activities, may occur for trancies, excessive absences and/or tardiness. The School Attendance Review Board (SARB) is made up of representatives of various youth agencies that help truant or insubordinate students and their parents/guardians by using community resources. SARB will refer parents to the SVUSD School Board, District Attorney's Office, Probation Office, Welfare Department or an appropriate court when all other alternatives have failed.

Students are required to be in attendance for semester finals, unless a valid absence based on California Ed. Code is recorded. There are no 'early finals' unless a family has orders to PCS.

Short-term independent study (STIS) is only available for lengths of three days or more. Except in the event of death, please contact the SVHS office at least two weeks prior to departure to request STIS.

Student ID Cards:

Student ID cards are provided at the start of each school year. Students are required to carry the card while on campus or at any school event and present it upon request by school personnel. Library privileges require ID cards to check out library books and textbooks.

HEALTH OFFICE

A school health clerk is available to students. Students who feel ill or need medical attention should report first to class and will be given a pass to the Health Office. The Health Clerk will contact parents/guardians if needed. Students should not bypass the Health Office and call parents to pick them up if they are not feeling well, as they are supposed to report to the Health Office first, then the Health Clerk will contact the parent.

Health Office Policy:

For complaints such as "not feeling well," when there are no observable problems, students will be permitted to rest for ten minutes and sent to class with instructions to return if the discomfort continues. Parents will be notified if it is determined that health office visits are excessive.

All accidents or injuries must be reported immediately to the Health Office. First aid may be administered and paramedic services may be requested. In all cases, an attempt will be made to notify a parent or guardian as soon as possible.

Medication on Campus:

Students requiring either over the counter or prescribed medication during school hours must have a completed medical authorization form on file. Students who are taking prescribed medication during school hours need a signed statement from the physician detailing the method, amount, and time schedule by which medication is to be taken. All medication must be delivered to the health office in the original container. If it is prescribed medication, the prescription label must be on the container. School personnel may not dispense medication without a current completed medication authorization form signed by **BOTH** parent and physician. You may obtain the medication authorization form at the school's health office.

If a child needs to take an aspirin, antihistamines, cough drops, medicated eye drops (Visine), etc., the parent may come to the school to administer it. The student may not carry medication on school grounds unless directed by his/her physician that they must carry and self-medicate immediately (i.e., "student should self-carry or self-administer asthma medication"). The school may take disciplinary action if a student misuses an inhaler (or any other medication) in any way, including sharing it with anyone.

Emergency Cards:

Changes in guardianship or emergency contact information require an updated emergency card. In order to participate in school activities, sports or field trips, all students must submit a new emergency card yearly. School-wide email distributions are provided for those families submitting an email address. Please make sure you have registered your email address with us.

Insurance:

Silver Valley High School does not provide medical insurance coverage for your student. Parents and guardians are responsible for the medical bills if a student is hurt during school activities. Student insurance information is sent home in the informational packets and extra copies are available at the school. Students participating in interscholastic athletics must be covered by an insurance program and show proof of coverage before they can try out and/or practice (Board Policy 5143).

If a student receives an ODR, parents will be notified by Administration. Suspensions will be determined on a case-by-case basis. Students committing major offenses will be permitted to share their version of the incident with an administrator. Other students and/or staff members involved will also be permitted to report their involvement in or witness of the incident.
